Hi Josh,

You can go into the CEF directly and make the changes. Once you have made your edits, submit to it the CIC for review. The CIC should be in the dropdown field next to the SUBMIT button. Also, who is the section chief. I have Michael Sivak. Once the CIC (Shereen Kandil) reviews, it will go to the SC for final approval. You can cut and paste this information into the CEF since you have an updated Word document. If you have any other questions, please feel free.

Thank You!

Hi Diann,

I am working on Riverside Industrial Park superfund site. We are planning for the publication of the proposed plan on 7/22 and this is my first time updating the website. Attached are the changes to that need to go into effect on July 22. Please let me know what I need to do to update the website for my site (<https://cumulis.epa.gov/supercpad/cursites/csitinfo.cfm?id=0204232>).

Thanks!

Josh
